

A year you will always remember,
No real school from March to September.
Checking the blog, working from home,
Using seesaw on your tablet or phone.

Uploading your work every day,
Getting it done quickly so then you can play.
So many challenges, making me proud
Class 3 you really stood out from the crowd.

Spaceships in gardens and sandwich making,
Draw with Rob and lots of baking!
Snack Attack and George's Medicine,
Finding out about the parts of the Skeleton.

Wellbeing Wednesday's and Disney Art
Phoning friends to ask questions for a bar chart
Brandesburton's Got Talent and a Friday treat,
Plus your daily walk down the street

You might look back and think what a mystery
But remember it as the year we made History.

Class 3 Lockdown 2020
